Before giving this worksheet to your students, review and discuss the different possessive adjectives. It might help to make two columns on the board. In the left-hand column, write: I, you, he, she, it, we, they. In the right-hand column, write only 'my' and then elicit the remaining possessive adjectives. Make note of the difference in meaning between "your" and "you're" (= you are); and "its" and "it's" (= it is). Wrap-up by having students compare answers with classmates, and then choose one or two students to write their answers on the board: (1) our; (2) your, etc. Correct and discuss and mistakes.
